Phil Anderson
WA Department of Fish and Wildlife

Mr. Anderson

I am writing to encourage you to approve the acquisition of the Chris Kroupa property in Ferry County. This is indeed a unique parcel and I think Chris' decision to sell it to the state is a wonderful gift to the people of this state.

I own the 20 acres adjacent to the northern boundary of the Everlith place, and spend a great deal of time on this property jogging, skiing, fishing and hunting. Though I will be sorry to be losing my semi-private preserve, I wholeheartedly support the Kroupa's sale of this land to your agency;

i.e. River North Parcel
SA

Sincerely,

Robert Lattin
