Subject: NFPP Salmon Creek fish passage project

Hi Zoe Ann,

I received your phone message. Thanks for getting back to me. Yes, we received more funding from our Regional Office and the National Fish Passage Program. We will now be able to provide \$100,000 to the W. Uncas Rd. Salmon Creek project!

I have changed the amount in the agreement, Pam (cc'd) has a draft.

Since the funding amount has changed we will need new SF424 forms, the application and budget forms, to reflect the new amount.

Please send those to Pam and I as soon as you can.

Thank you very much. Pam - please correct me if I'm wrong about needing the updated forms.

Miranda
