PROJECT DETAILS

Page	Grant Manager Comment
Project Description	Changed the project title (removed feasibility) to have a no match planning project we need preliminary design. Scope in PRISM reflects this adjustment.
Property Details	Top fields looks like the character limit cut you off. Can add more notes to the "Notes" field lower left of each property.

METRICS

Page	Grant Manager Comment
Planning Metrics	Included all of the activities in the preliminary design costs, as they are a necessary part of this site specific restoration strategy.

COSTS

Page	Grant Manager Comment
Cost Summary	As long as atleast preliminary design deliverables are completed, and the project is finished within 18 months of funding, there's no match required.

APPLICATION QUESTIONS

Page	Grant Manager Comment
------	-----------------------

PROJECT PERMITS

Page	Grant Manager Comment
Project Permits	Thanks for including the permits you expect to need for the future restoration project.

ATTACHMENTS

Page	Grant Manager Comment
Attachments	Avery updated the APE map. Cost estimate should provide more detail on the cost for each of the site investigations/assessment deliverables.
