

Land Ownership Certification Form

The intent of this form is to ensure that the sponsor has reviewed property information and that there are no encumbrances that would adversely affect the ability to restore the property. This form is required to be submitted for all restoration projects. The form must be submitted before RCO issues a project agreement.

The Adopt A Stream Foundation, as Sponsor of RCO #15-1059 titled Bear Creek Reach 6 Ph II Design certifies that Matt Marcus has/have fee ownership of the property. The Sponsor further certifies that they have discussed the project with Matt Marcus and / or reviewed current title information for the property, and that:

There are no existing deed restrictions, liens, easements, or other encumbrances that would impede construction, operation, or maintenance of the project.

OR

Existing deed restrictions, liens, easements, or other encumbrances may have immediate or potential impacts to construction, operation, or maintenance of the project. Provide further explanation below.
