Final	9/23/15	Clear

PROJECT SUMMARY *(for Review Panel reference only)*

This project proposes to acquire, for permanent protection, portions of up to four parcels along the Thurston County side of the Nisqually River mainstem in the Whitewater Reach. If all four acquisitions are completed, a total of 42 acres, 3,800 feet of shoreline, and approximately six acres of forested wetland will be protected. These properties are adjacent to lands owned and managed by the Nisqually Land Trust and the City of Yelm.

FINAL REVIEW PANEL COMMENTS

Date: 9/23/15

Final Project Status: Clear

Review Panel Member(s): Full Panel Review

- 1. If the project is a POC, please identify the SRFB criteria used to determine the status of the project:**
- 2. If the project is Conditioned, the following language will be added to the project agreement:**
- 3. Other comments:**

Yes **No**

Review Panel Member(s): Cramer and Tyler

1. Recommended improvements to make this a technically sound project according to the SRFB's criteria:

Move the project nararative to the scope of work and include the completion date and responsible party for each task.

2. Missing Pre-application information:

3. General Comments:

This is a nicely written proposal.

4. Staff Comments:

SPONSOR RESPONSE INSTRUCTIONS:

Revise your project proposals using "track changes" and update any relevant PRISM questions and attachments. Fill out the section at the end of your project proposal to document how you responded to comments.
