Federal Funding Accountability and Transparency Act (FFATA)
Federal Sub award Reporting System (FSRS) Reporting Form**

RCO requires compliance with the Federal Funding Accountability and Transparency Act by recipients of RCO funding. The purpose of the Transparency Act is to make information available online for the public to see how recipients are spending federal funds.

One key requirement is for your organization to have a Data Universal Numbers System (DUNS) number and to share the number through the FSRS reporting process. If you do not already have one, you may get a DUNS number free of charge by contacting Dun and Bradstreet at www.dnb.com.
