Project Manager	Rebecca Samy	Water Body	Woods Creek/Richard	FIRM Community No	535534
Date of FIRM Map	Sep 28, 2010	FHA Designation	Floodway Fringe	FIRM Panel No.	53061C1385G and E
FIRM Zone	A	Base Flood Elev.	No BFE determined	Inspection Area	3

1. When construction is complete please contact Rebecca Samy at (425) 388-3311 ext. 2283 or Rebecca.Samy@snoco.org for final flood hazard inspection.
2. It is determined, pursuant to SCC 30.70.100, that the use authorized by this permit is consistent with applicable county GMA comprehensive plan policies and development regulations.
3. Must comply with all conditions of HPA 2016-4-582+01 and NWS -2016-271.
4. The issuing of this permit shall not excuse the applicant from compliance with any other federal, state or local statutes, ordinances, or regulations applicable to this project. Other permits and approvals may be required for this project.

Permission for this Flood Hazard Permit is granted under the provisions of SCC 30.65, Snohomish County Code. The subject property is within the flood plain of the Water Body noted above.

I hereby certify that I intend to comply with the permit conditions listed above. I understand that failure to comply with any of the conditions listed may be a violation of SCC 30.65, Snohomish County Code.

(signature of permittee or building owner)

Elevation and floodproofing certification shall be required as per SCC 30.65.130.
