In the event this agreement is terminated as provided above, RCO shall be entitled to pursue the same remedies against the sponsor as it could pursue in the event of a breach of the agreement by the sponsor. SECTION 12. RECORDS MAINTENANCE

The sponsor shall maintain books, records, documents, data and other evidence relating to this agreement and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this agreement. Sponsor shall retain such records for a period of six years from the date RCO closes the project. At no additional cost, these records, including materials generated under the agreement, shall be subject at all reasonable times to inspection, review or audit by RCO, personnel duly authorized by RCO, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement. If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

SECTION 13. PUBLIC RECORDS

Sponsor acknowledges that the funding board is subject to chapter 42.56 RCW and that this agreement shall be a public record as defined in chapter 42.56 RCW. Additionally, in compliance with RCW 77.85.130 (8), sponsor agrees to disclose any information in regards to expenditure of any funding received from the funding board.

SECTION 14. ACCESS TO DATA

In compliance with chapter 39.29 RCW, the sponsor shall provide access, when requested, to data generated under this agreement to RCO, the Joint Legislative Audit and Review Committee, and the State Auditor at no additional cost. This includes access to all information that supports the findings, conclusions, and recommendations of the sponsor's reports, including computer models and methodology for those models.

SECTION 15. TREATMENT OF ASSETS

- A. Assets shall remain in the possession of the sponsor for the duration of the project or applicable grant program. When the sponsor discontinues use of the asset(s) for the purpose for which it was funded, RCO will require the sponsor to deliver the asset(s) to RCO, dispose of the asset according to RCO policies, or return the fair market value of the asset(s) to RCO. Assets shall be used only for the purpose of this agreement, unless otherwise provided herein or approved by RCO in writing.
- B. The sponsor shall be responsible for any loss or damage to assets which results from the negligence of the sponsor or which results from the failure on the part of the sponsor to maintain and administer that asset in accordance with sound management practices.

SECTION 16. RIGHT OF INSPECTION

The sponsor shall provide right of access to the project to RCO, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this agreement.

If a landowner agreement has been executed, it will further stipulate and define the funding board and RCO's right to inspect and access lands acquired or developed with funding board assistance.

SECTION 17. STEWARDSHIP AND MONITORING

Sponsor agrees to perform monitoring and stewardship functions as stated in policy documents approved by the funding boards or RCO. Sponsor further agrees to utilize, where applicable and financially feasible, any monitoring protocols recommended by the funding board.

SECTION 18. DEBARMENT CERTIFICATION FOR FEDERALLY FUNDED PROJECTS

"Lower tier participants" refer to any sponsor receiving a federal grant through RCO. Lower tier participants also refer to any grantee, subgrantee, or contractor of any grantee or subgrantee from the original sponsor funded by RCO. In this section, the sponsor certifies to RCO that neither they nor their subgrantees are suspended or debarred. Any grantee, subgrantee, or contractor of any grantee or subgrantee from the original sponsor certifies to the sponsor directly.

For any federally funded projects, sponsors are required to follow any federal requirements. Furthermore any federal funding requirements will be passed on to any other entity to whom the sponsor passes funds (also referred to as a lower tier participant).

The sponsor (prospective lower tier participant) certifies, by signing this agreement, that neither it nor its principals nor any other lower tier participants are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. The sponsor (prospective lower tier participant) shall provide immediate written notice to RCO if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Should the prospective lower tier participant enter into a covered transaction with another person at the next lower tier, the sponsor (prospective lower tier participant) agrees by signing this agreement that it will verify that the person with whom it or its lower tier participant intends to do business is not excluded or disqualified. The sponsor (prospective lower tier participant) will do this by:

- A. Checking the federal Excluded Parties List System (www.epls.gov) for that person; or
- B. Collecting a certification from that person; or
- C. Adding a clause or condition to the covered transaction with that person.

The sponsor (prospective lower tier participant) agrees by signing this agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous.

SECTION 19. PROJECT FUNDING

- A. **Additional Amounts.** The funding board shall not be obligated to pay any amount beyond the dollar amount as identified in this agreement, unless an additional amount has been approved in advance by the funding board or director and incorporated by written amendment into this agreement.
- B. **Before the Agreement.** No expenditure made, or obligation incurred, by the sponsor before the effective date of this agreement shall be eligible for grant funds, in whole or in part, unless specifically provided for by funding board policy, such as a waiver of retroactivity or program specific eligible pre-agreement costs. The dollar amounts identified in this agreement may be reduced as necessary to exclude any such expenditure from reimbursement.
- C. **After the period of performance.** No expenditure made, or obligation incurred, following the period of performance shall be eligible, in whole or in part, for grant funds hereunder. In addition to any remedy the funding board may have under this agreement, the grant amounts identified in this agreement shall be reduced to exclude any such expenditure from participation.

SECTION 20. PROJECT REIMBURSEMENTS

- A. **Sponsors may only request reimbursement after eligible and allowable costs have already been paid and remitted to their vendors.**
- B. **Compliance and Payment.** The obligation of RCO to pay any amount(s) under this agreement is expressly conditioned on strict compliance with the terms of this agreement by the sponsor.
- C. **Compliance and Retainage.** RCO reserves the right to withhold disbursement of the final ten percent (10%) of the total amount of the grant to the sponsor until the project has been completed. A project is considered "complete" when:
 - 1. All approved or required activities outlined in the agreement are done;
 - 2. On-site signs are in place (if applicable);
 - 3. A final project report is submitted to RCO;
 - 4. Any other required documents are complete and submitted to RCO;
 - 5. A final reimbursement request is submitted to RCO;
 - 6. The completed project has been accepted by RCO;
 - 7. Final amendments have been processed; and
 - 8. Fiscal transactions are complete.
- D. **Reimbursement Request Frequency.** Sponsors are encouraged to send RCO a reimbursement request at least quarterly. Sponsors are required to submit a reimbursement request to RCO, at a minimum for each project at least once a year for reimbursable activities occurring between July 1 and June 30. Sponsors must refer to current RCO policies and procedures regarding reimbursement requirements.

SECTION 21. ADVANCE PAYMENTS

Advance payments of or in anticipation of goods or services to be provided under this agreement are limited to grants approved by the SRFB and must comply with SRFB policy. See WAC 420-12-060 (5).

SECTION 22. RECOVERY OF PAYMENTS

In the event that the sponsor fails to expend funds under this agreement in accordance with state and federal laws, and/or the provisions of the agreement, RCO reserves the right to recover grant award funds in the amount equivalent to the extent of noncompliance in addition to any other remedies available at law or in equity.

The sponsor shall reimburse RCO for any overpayment or erroneous payments made under the agreement. Repayment by the sponsor of such funds under this recovery provision shall occur within 30 days of demand by RCO. Interest shall accrue at the rate of twelve percent (12%) per annum from the time that payment becomes due and owing.

SECTION 23. COVENANT AGAINST CONTINGENT FEES

The sponsor warrants that no person or selling agent has been employed or retained to solicit or secure this agreement on an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agents maintained by the sponsor for the purpose of securing business. RCO shall have the right, in the event of breach of this clause by the sponsor, to terminate this agreement without liability or, in its discretion, to deduct from the agreement grant amount or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.

SECTION 24. PROVISIONS APPLYING TO DEVELOPMENT/RESTORATION PROJECTS

The following provisions shall be in force only if the project described in this agreement is for development/restoration of land or facilities for outdoor recreation, habitat conservation, or salmon recovery:

- A. Document Review and Approval. The sponsor agrees to submit one copy of all development/restoration or construction plans and specifications to RCO for review. Review and approval by RCO will be for compliance with the terms of this agreement.
- B. Contracts for Development or Restoration. Sponsor shall award all contracts for construction, development or restoration using whatever method is appropriate and required for the sponsor.
- C. Contract Change Order. Only change orders that impact the amount of funding or changes to the scope of the project as described to and approved by the funding board or RCO must receive prior written approval.
- D. Control and Tenure. The sponsor must provide documentation that shows appropriate tenure (land owner agreement, long term lease agreement, easement, or fee simple ownership) for the land proposed for development or restoration. The documentation must meet current RCO requirements.
- E. Nondiscrimination. Except where a nondiscrimination clause required by a federal funding agency is used, the sponsor shall insert the following nondiscrimination clause in each contract for construction of this project:

"During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."
- F. Use of Best Management Practices. Project sponsors are encouraged to use best management practices developed as part of the Washington State Aquatic Habitat Guidelines (AHG) Program. The best management practices are described in three documents: "Stream Habitat Restoration Guidelines: Final Draft", 2004; "Design of Road Culverts for Fish Passage", 2003; and "Integrated Streambank Protection Guidelines", 2002. These documents and other information can be found on the AHG website.

SECTION 25. PROVISIONS APPLYING TO ACQUISITION PROJECTS

The following provisions shall be in force only if the project described in this agreement is for the acquisition of interest in real property (including easements) for outdoor recreation, habitat conservation, or salmon recovery purposes:

- A. Evidence of Land Value. Before disbursement of funds by RCO as provided under this agreement, the sponsor agrees to supply evidence to RCO that the cost of the property rights acquired has been established according to funding board policy.
- B. Evidence of Title. The sponsor agrees to show the type of ownership interest for the property that has been acquired. This shall be done before any payment of financial assistance.
- C. Legal Description of Real Property Rights Acquired. The legal description of the real property rights purchased with funding assistance provided through this project agreement (and protected by a recorded conveyance of rights to the State of Washington) shall be incorporated into the agreement before final payment.
- D. Conveyance of Rights to the State of Washington. Document securing long-term rights for the State of Washington. When real property rights (both fee simple and lesser interests) are acquired, the sponsor agrees to execute an appropriate document conveying certain rights and responsibilities to RCO, on behalf of the State of Washington. These documents include a Deed of Right, Assignment of Rights, Easements and Leases. The sponsor agrees to use document language provided by RCO, to record the executed document in the County where the real property lies, and to provide a copy of the recorded document to RCO. The document required will vary depending on the project type, the real property rights being acquired and whether or not those rights are being acquired in perpetuity.

1. **Deed of Right.** The Deed of Right conveys to the people of the state of Washington the right to preserve, protect, and/or use the property for public purposes consistent with the fund source. Sponsors shall use this document when acquiring real property rights that include the underlying land. This document may also be applicable for those easements where the sponsor has acquired a perpetual easement for public purposes.
2. **Assignment of Rights.** The Assignment of Rights document transfers certain rights such as access and enforcement to RCO. Sponsors shall use this document when an easement or lease is being acquired for habitat conservation or salmon recovery purposes. The Assignment of Rights requires the signature of the underlying landowner and must be incorporated by reference in the easement document.
3. **Easements and Leases.** The sponsor may incorporate required language from the Deed of Right or Assignment of Rights directly into the easement or lease document, thereby eliminating the requirement for a separate document. Language will depend on the situation; sponsor must obtain RCO approval on the draft language prior to executing the easement or lease.

E. Real Property Acquisition and Relocation Assistance

1. When federal funds are part of this agreement, the Sponsor agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 84 Stat. 1894 (1970)--Public Law 91-646, as amended by the Surface Transportation and Uniform Relocation Assistance Act, PL 100-17-1987, and applicable regulations and procedures of the federal agency implementing that Act.
2. When state funds are part of this agreement, the sponsor, if required by law, agrees to comply with the terms and conditions of the Uniform Relocation Assistance and Real Property Acquisition Policy of the State of Washington, Chapter 8.26.010 RCW; and Chapter 468-100 WAC.
3. **Housing and Relocation.** In the event that housing and relocation costs, as required by federal law set out in subsection (1) above and/or state law set out in subsection (2) above, are involved in the execution of this project, the sponsor agrees to provide any housing and relocation assistance required.

F. Buildings and Structures. In general, grant funds are to be used for outdoor recreation, habitat conservation, or salmon recovery. Sponsors agree to remove or demolish ineligible structures. Sponsors must consult RCO regarding compliance with section 10 - Archaeological and Cultural Resources before structures are removed or demolished.

SECTION 26. RESTRICTION ON CONVERSION OF REAL PROPERTY AND/OR FACILITIES TO OTHER USES

The sponsor shall not at any time convert any real property or facility acquired, developed, and/or restored pursuant to this agreement to uses other than those purposes for which funds were approved without prior approval of the funding board in compliance with applicable statutes, rules, and funding board policies. It is the intent of the funding board's conversion policy, current or as amended in the future, that all real property or facilities acquired, developed and/or restored with funding assistance remain in the public domain in perpetuity unless otherwise identified in the agreement or as approved by the funding board.

When a conversion has been determined to have occurred, the sponsor is required to remedy the conversion per established funding board policies.

- A. A conversion occurs when one or more of the following has taken place, whether affecting an entire site or any portion of a site funded by the funding boards.**

 2. **Conveyance to Ineligible Third Party.** Property interests are conveyed to a third party not otherwise eligible to receive grants in the program from which funding was derived.
 3. **Non-eligible Uses.** A use occurs that is inconsistent with the original grant request.
 4. **Non-eligible Facilities.** Non-eligible facilities are developed within the project area.
 5. **Termination of Public Use.** When public use, as described in the original grant request, is temporarily or permanently terminated or excluded.
 6. **Environmental Functions.** For habitat projects, if the property acquired, restored or enhanced no longer provides the environmental functions for which funding board grants were originally approved.

- B. Changing a project's elements and items. When approved by the funding board or director, certain elements and items may be deleted from the agreement without being considered a conversion. In the following instances the board may authorize changes without invoking the requirement to replace the elements and items. Such deletions are allowed when the funding board or director determines that the elements and items are not needed or cannot be retained due to one or more of the following conditions:
1. Obsolescence
 2. Extraordinary vandalism
 3. Acts of Nature
 4. Designed life expectancy reached
 5. Fire
 6. Permit requirements that disallow specific elements
 7. Reversion Order (*National Trails System Act 8(d)*, 16 U.S.C. § 1247(d); WAC 286-27-060(2)).

SECTION 27. CONSTRUCTION, OPERATION, USE AND MAINTENANCE OF ASSISTED PROJECTS

SECTION 28. INCOME AND INCOME USE

- A. Income:
 1. Compatible source. The source of any income generated in a funded project or project area must be compatible with the funding source and the agreement.
 2. Fees. User and/or other fees may be charged in connection with land acquired or facilities developed with funding board grants if the fees are consistent with the:
 - (a) Value of any service(s) furnished;
 - (b) Value of any opportunities furnished; and
 - (c) Prevailing range of public fees in the state for the activity involved.Excepted are Firearms and Archery Range Recreation Program safety classes (firearm and/or hunter) for which a facility/range fee must not be charged (Chapter 79A.25.210 RCW).
- B. Income use. Regardless of whether income or fees in a project work site (including entrance, utility corridor permit, cattle grazing, timber harvesting, farming, etc.) are gained during or after the reimbursement period cited in the agreement, unless precluded by state or federal law, the revenue may only be used to offset:
 1. The sponsor's matching funds;
 2. The project's total cost;
 3. The expense of operation, maintenance, stewardship, monitoring, and/or repair of the facility or program assisted by the funding board grant;
 4. The expense of operation, maintenance, stewardship, monitoring, and/or repair of other similar units in the sponsor's system; and/or

Even so, the funding board discourages the imposition of differential fees. Fees for nonresidents must not exceed twice the fee imposed on residents. Where there is no fee for residents but a fee is charged to nonresidents, the nonresident fee shall not exceed the amount that would be imposed on residents at comparable state or local public facilities.

SECTION 30. PROVISIONS RELATED TO CORPORATE (INCLUDING NONPROFIT) SPONSORS

A corporate sponsor, including any nonprofit sponsor, shall:

- A. Maintain corporate status with the state, including registering with the Washington Secretary of State's office, throughout the sponsor's obligation to the project as identified in the agreement.
- B. Notify RCO prior to corporate dissolution. Within 30 days of dissolution the sponsor shall name a qualified successor that will agree in writing to assume any on-going project responsibilities. A qualified successor is any party eligible to apply for funds in the subject grant program and capable of complying with the terms and conditions of this agreement. RCO will process an amendment transferring the sponsor's obligation to the qualified successor if requirements are met.
- C. Sites or facilities open to the public may not require exclusive use, (e.g., members only).

SECTION 31. LIABILITY INSURANCE REQUIREMENTS FOR FIREARMS AND ARCHERY RANGE SPONSORS

- A. The sponsor of a firearms or archery range recreation project shall procure an endorsement, or other addition, to liability insurance it may currently carry, or shall procure a new policy of liability insurance, in a total coverage amount the sponsor deems adequate to ensure it will have resources to pay successful claims of persons who may be killed or injured, or suffer damage to property, while present at the range facility to which this grant is related, or by reason of being in the vicinity of that facility; provided that the coverage shall be at least one million dollars (\$1,000,000) for the death of, or injury to, each person.
- B. The liability insurance policy, including any endorsement or addition, shall name Washington State, the funding board, and RCO as additional insured and shall be in a form approved by the funding board or director.
- C. The policy, endorsement or other addition, or a similar liability insurance policy meeting the requirements of this section, shall be kept in force throughout the sponsor's obligation to the project as identified in this agreement.
- D. The policy, as modified by any endorsement or other addition, shall provide that the issuing company shall give written notice to RCO not less than thirty (30) calendar days in advance of any cancellation of the policy by the insurer, and within ten (10) calendar days following any termination of the policy by the sponsor.
- E. The requirement of Subsection A through D above shall not apply if the sponsor is a federal, state, or municipal government which has established a program of self-insurance or a policy of self-insurance with respect to claims arising from its facilities or activities generally, including such facilities as firearms or archery ranges, when the applicant declares and describes that program or policy as a part of its application to the funding board.
- F. By this requirement, the funding board and RCO does not assume any duty to any individual person with respect to death, injury, or damage to property which that person may suffer while present at, or in the vicinity of, the facility to which this grant relates. Any such person, or any other person making claims based on such death, injury, or damage, must look to the sponsor, or others, for any and all remedies that may be available by law.

SECTION 32. REQUIREMENTS OF THE NATIONAL PARK SERVICE

If the project has been approved by the National Park Service, US Department of the Interior, for funding assistance from the federal Land and Water Conservation Fund (LWCF), the "Project Agreement General Provisions" in the LWCF State Assistance Program Federal Financial Assistance Manual are also made part of this agreement. The sponsor shall abide by these LWCF General Provisions as they now exist or are hereafter amended. Further, the sponsor agrees to provide RCO with reports or documents needed to meet the requirements of the LWCF General Provisions.

SECTION 33. FARMLAND PRESERVATION ACCOUNT

- Section 11 - Hazardous Substances,
- Section 17 - Stewardship and Monitoring
- Section 26 - Restriction on Conversion of Real Property and/or Facilities to Other Uses, and
- Section 25 - Provisions Applying to Acquisition Projects Sub-sections D, E, F and G.

SECTION 34. ORDER OF PRECEDENCE

This agreement is entered into, pursuant to, and under the authority granted by applicable federal and state laws. The provisions of the agreement shall be construed to conform to those laws. In the event of an inconsistency in the terms of this agreement, or between its terms and any applicable statute, rule, or policy or procedure, the inconsistency shall be resolved by giving precedence in the following order:

- A. Applicable federal and/or state statutes, regulations, policies and procedures including RCO/funding board policies and procedures, applicable federal Office of Management and Budget (OMB) circulars and federal and state executive orders;
- B. Project agreement including attachments;
- C. Special Conditions;
- D. Standard Terms and Conditions of the Project Agreement.

SECTION 35. AMENDMENTS

This agreement may be amended by mutual agreement of the parties only. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties. Period of performance extensions and minor scope adjustments need only be signed by RCO's director or designee.

SECTION 36. LIMITATION OF AUTHORITY

Only RCO or RCO's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this agreement. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of this agreement is not effective or binding unless made in writing and signed by RCO.

SECTION 37. WAIVER OF DEFAULT

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached to the original agreement.

SECTION 38. APPLICATION REPRESENTATIONS -- MISREPRESENTATIONS OR INACCURACY OR BREACH

The funding board and RCO rely on the sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this agreement.

SECTION 39. TERMINATION AND OTHER REMEDIES

The funding board and RCO will require strict compliance by the sponsor with all the terms of this agreement including, but not limited to, the requirements of the applicable statutes, rules and all funding board and RCO policies, and with the representations of the sponsor in its application for a grant as finally approved by the funding board.

The funding board or the director may suspend or terminate the obligation to provide funding to the sponsor under this agreement:

- A. In the event of any breach by the sponsor of any of the sponsor's obligations under this agreement; or
- B. If the sponsor fails to make progress satisfactory to the funding board or director toward completion of the project by the completion date set out in this agreement. Included in progress is adherence to milestones and other defined deadlines.

In the event this agreement is terminated by the funding board or director, under this section or any other section after any portion of the grant amount has been paid to the sponsor under this agreement, the funding board or director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived.

The funding board and RCO may enforce this agreement by the remedy of specific performance, which usually will mean completion of the project as described in this agreement. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the funding board or RCO shall be deemed exclusive. The funding board or RCO may elect to exercise any, a combination of, or all of the remedies available to it under this agreement, or under any provision of law, common law, or equity.

SECTION 40. NON-AVAILABILITY OF FUNDS

If amounts sufficient to fund the grant made under this agreement are not appropriated by the Washington State Legislature, or if such funds are not allocated by the Washington State Office of Financial Management (OFM) to RCO for expenditure for this agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or OFM occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this agreement shall terminate. Termination of the agreement under this section is not subject to appeal by the sponsor.

SECTION 41. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this agreement, in whole or in part. If this agreement is so terminated, RCO shall be liable only for payment required under the terms of this agreement for services rendered or goods delivered prior to the effective date of termination.

SECTION 42. DISPUTE HEARING

Except as may otherwise be provided in this agreement, when a dispute arises between the sponsor and the funding board, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the third person shall be chosen by the funding board's chair.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this agreement in deciding the disputes.

The parties shall be bound by the decision of the disputes panel, unless the remedy directed by that panel shall be without the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

SECTION 43. ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

SECTION 44. GOVERNING LAW/VENUE

This agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this agreement, venue shall be proper only in Thurston County Superior Court. The sponsor, by execution of this agreement acknowledges the jurisdiction of the courts of the State of Washington.

In the cases where this agreement is between the funding board and a federally recognized Indian Tribe, the following governing law/venue applies:

- A. The State of Washington agrees that it shall initiate any lawsuit against a federally recognized Indian Tribe arising out of or relating to the performance, breach or enforcement of this agreement in Federal Court. Interpretation shall be according to the law of the State of Washington. In the event that the Federal Court determines that it lacks subject matter jurisdiction to resolve the dispute between the State and Tribal Party, then the parties agree to venue in Thurston County Superior Court, but the parties agree that the matter shall not be pursued in superior court unless there is a Federal Court determination that it lacks subject matter jurisdiction.
- B. Any judicial award, determination, order, decree or other relief, whether in law or equity or otherwise, resulting from the action shall be binding and enforceable on the parties. Any money judgment or award against a Tribe, tribal officers and members, or the State of Washington and its officers and employees may exceed the amount provided for in Section F- Project Funding of the Agreement in order to satisfy the judgment.
- C. The Tribe hereby waives its sovereign immunity as necessary to give effect to this section, and to the implementation of any judgment. This waiver is only for the benefit of the Tribe and State and shall not be enforceable by any third party or by any assignee or delegate of the parties. In any enforcement action, the parties shall bear their own enforcement costs, including attorneys' fees.

SECTION 45. SEVERABILITY

The provisions of this agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the agreement.

DESCRIPTION:

The Qwuloolt Estuary Restoration Project represents a broad-based interagency and community effort to restore historic tidal processes and a functioning estuary intertidal marsh system to 350 acres of isolated floodplain within the lower Snohomish River estuary. The project will also restore natural hydrologic connection and functions to two stream systems and provide unrestricted fish access to 16 miles of upstream spawning and rearing habitat. Restoration will involve breaching the levee along Ebey Slough, installing a setback levee to protect adjacent properties located in the floodplain, filling ditches, excavating stream and tidal channels, and planting native shrub and tree species in shoreline riparian areas.

This project requests **\$500,000** for construction activities; specifically, setback levee construction, levee breach, and project management tasks. These funds will supplement \$1,455,000 in tribal and state funds to meet a 35% local cost-share obligation for working with the US Army Corps of Engineers under the Puget Sound and Adjacent Waters Program. Additional federal funds will be used for interior site preparation (i.e. ditch filling, channel excavation, riparian planting) and the levee breach. Total project cost is \$7,800,000. However, only a fraction of this full amount is reflected in the grant funding request.

LOCATION INFORMATION:

The project will occur adjacent to Ebey Slough (at river mile 3)

COUNTY: Snohomish

GOAL & OBJECTIVE:

The goal of the project is to restore estuarine and nearshore conditions and processes in the marine environment.

Tulalip Tribe offered grant to restore land for salmon recovery.

(Marysville) - Tulalip Tribe was awarded a grant of \$500,000.00 from the PSAR. The grant was awarded by the Salmon Recovery Funding Board (SRFB), and will be used for the following:

The Qwuloolt Estuary Restoration Project represents a broad-based interagency and community effort to restore historic tidal processes and a functioning estuary intertidal marsh system to 350 acres of isolated floodplain within the lower Snohomish River estuary. The project will also restore natural hydrologic connection and functions to two stream systems and provide unrestricted fish access to 16 miles of upstream spawning and rearing habitat. However, only a fraction of this full amount is reflected in the grant funding request.

There were two applications submitted for consideration in the PSAR. Each project went through an evaluation process prior to being recommended for funding. The SRFB Board approved funding for projects on Friday, October 23, 2009.

Funding for the PSAR comes (new). Tulalip Tribe will leverage local contributions totaling \$90,000.00 with grant monies to implement the project. Total estimated project cost is \$590,000.00. SRFB is the state's administrator of the grant program.
